My dear Mrs. Manley:

This is to acknowledge yours of March 18th and our subsequent telephone conversation.

Pursuant to invitation, I wish to inform you that Attucks Guard Post 152 American Legion will accept your invitation graciously and I have informed the officials of the Post that you will make a generous donation in excess of \$35.00 required by them to furnish expenses for appearing on that date.

On behalf of Pride of Newark Drum and Bugle Corps, I am sure that the youngsters will be happy to be on hand and gratefully accept your promised donation towards their uniforms and instruments in lieu of the \$20.00 which had been donated last year.

These are two of our outstanding organizations and both are doing a fine work in the community; so we are certain that any financial assistance given will be not only appreciated by the organizations but will help them to render better and greater public service.

I am suggesting seating arrangements for about 150 paraders and a box for the officials and Legion dignitaries who will be our guests.

As usual, I shall be happy to confer with you as to the political figures in various boxes, as I am sure that this year there will be quite a demand for such space.

Sincerely yours,

J. Mercer Burrell
